

Express Checkout *for auction bidders! No waiting in line!*

We know the last thing you want to do on Saturday night is wait in line to purchase your auction items. Therefore, in order to expedite the purchase process after the auction has closed, we will offer Express Checkout.

How it works:

As part of your reservation, fill out the Express Checkout application on the reverse side of this card (also available online). Use the credit card with which you would like to purchase auction items at Promenade 09, November 14, 2009. If you are the highest bidder for one or more auction items, we will charge your credit card with the amount you bid. After the auction closes, take the auction items for which you are the highest bidder with you. No waiting in line ... your receipt will be mailed to you!

DAGC highly recommends Express Checkout to improve your auction experience. We guarantee your credit card information will be kept confidential. If you are not the highest bidder on any auction items, your card will not be charged.
